2019 - 2022

## WORK EXPERIENCE

Front-End Developer

2019 - 2022

My name is David Kerry, I am a front developer with 3 years of experience in :

- Javascript
- HTML
- Scss
- TypeScript
- Node js

I have been privileged to work on some projects in my Journey and have gathered much knowledge an insight which has scaled up my work flow.

My works covers:

- Enforced website standards for visual and design integrity.
- Leverage mastery of HTML, CSS and JavaScript to build top-quality code for diverse projects.
- Create clean, well-documented custom code and updates.
- Work closely with back-end developers to troubleshoot and resolve coding issues.
- Collaborate with web content editors to facilitate website maintenance.
- Develop custom websites to meet individual client needs.
- Verify front-end code functionality across browsers and platforms.
- Implement website firewalls and message encryption.
- Backed up files from websites to local directories for instant recovery.
